

Help Leaders Plan Future of Harrisburg Area

- How should the Harrisburg area develop in the future?
- Where should new schools and developments be located?
- What is the right balance between new homes and new businesses?

COMMUNITY MEETINGS

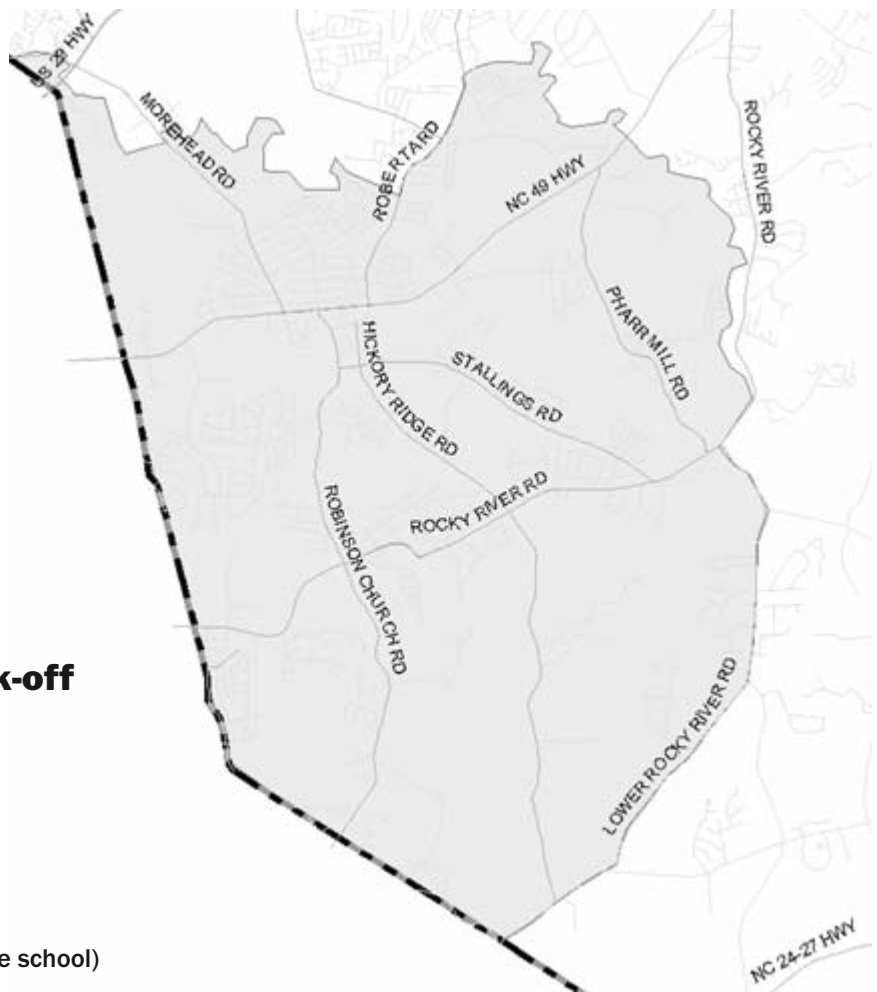

Cabarrus County, in cooperation with the Town of Harrisburg, will be creating a new land use plan for a pre-defined area in and around Harrisburg, which is loosely bounded by the Rocky River, Rocky River Road, and the Mecklenburg County line. The plan will guide leaders of Cabarrus County, the Town of Harrisburg, and the Cabarrus County public school system as they consider new development and school construction in this area.

Share your input at a kick-off Community Meeting:

Thursday, November 12
7 - 9 p.m.

Harrisburg Elementary School
3900 Stallings Road

(Use the bus entrance at the rear of the school)

MORE INFORMATION:

For details and to sign up for meeting notifications, log on to <http://planning.cabarruscounty.us> or call 704-920-2141

NOTE: As the Harrisburg Area Land Use Plan develops, additional community meetings will be held throughout the next 12 months to seek ideas from homeowners and stakeholders.
